

Univision/KWEX-TV 41 has been one of Communities In Schools of San Antonio's strongest service partners for the past 9 years. They continue to partner with us each year for our citywide school supply drive, "Project Stuff the Bus." Univision allows us to use their building as a drop-off point where our staff can collect school supplies and cash donations. In addition to donating school supplies, KWEX provides PSA's regarding this important campaign. Last year KWEX also contributed over \$4,000 to purchase uniforms and additional school supplies for needy school children. Univision/KWEX consistently purchases a table at our annual luncheon that is held to raise needed unrestricted funds for our agency, and provides media coverage for our special events for our Spanish speaking community. Most importantly, Univision/KWEX has allowed caring staff to mentor CIS students for 8 years. Students in this mentoring program experience an increase in self-esteem as well as improved academics, behavior and attendance. Univision mentors provide Christmas activities, family dinners, and help strengthen the parent involvement in the school.

Univision is a national partner with Communities In Schools and encourages its' stations to be actively involved with the local CIS programs. KWEX TV exemplifies the volunteer spirit throughout their organization. We are grateful for the ongoing support of Univision/KWEX.
